

COVID-19 Update

We'd like to take this time to fill you in on what our "new normal" will look like. *Please be aware that any/all of these policies are subject to change as restrictions continue to be lifted.*

Temporary Hours:

- Tuesday – Thursday, Sunday: Noon-6:00 pm
- Friday & Saturday: Noon - 9:00 pm

Wine, hard cider, beer - even wine slushies are now able to be consumed on-site! If you come inside to order, please wear a mask. You may remove it once seated to enjoy your food, drink & company!

We ask that you please use the outdoor patio for seating, there will be limited/no seating indoors due to capacity restrictions. Please do not move the picnic tables, they have been placed according to appropriate guidelines.

Temporarily, there will be no tastings at the bar. Tastings of wine, beer or cider will be delivered to you at the table. We ask that you fill out a tasting card and then find a seat with your group, we'll be out with your samples shortly.

We have revised our menu to accommodate necessary changes in service/staffing. While it is somewhat limited at the moment, there are some great new additions we're excited for you to try (you already know everything Janet makes is good!). Don't worry if you don't see your old favorite right away, it'll be back before you know it!

Live Music has always been a big part of who we are! While we are currently limited by the size of crowds allowed to gather, we are working on revising our Summer music schedule! Keep an eye on our Facebook

events & our website for details about who's playing and when! Hint: this means you'll likely see music scheduled Fridays & Saturdays this Summer!

While we can't wait to hang out with you all, we do understand if you're not quite ready to come back. For that reason, we will continue to provide pickup/carry-out service for online & phone orders. For online/phone orders the full list of wine, cider & beer will be available every day in addition to our current café menu (Wednesday – Saturday only). Please click the link to our online store for options & details.

Again, thank you so much for all of your support and understanding as we work our way towards normal. There are sure to be a few bumps in the road, but we are thrilled to welcome you back, Cheers!

Cheers,

Patrick and the rest of the Cherry Creek Cellars team
